STAGING SERVICES

Less Mess can help you...

- 🔧 Stage® your home for selling
- 🔧 Organize your living spaces
- 🔧 Implement your special occasion plans

Before

Staged®

Staged® homes on average sell faster and for more money.

- 🔧 Most buyers tour a home within the first 30 days it is on the market.

The average cost of staging is much less than your first price reduction.

- 🔧 Normally, I can work with your current furnishings – to help the prospective buyer "mentally" move in.

Ever been late because you were looking for

- 🔧 theater tickets?
